**RECYCLING GUIDELINES**
What is allowed in the single-stream recycling carts

**CARDBOARD & BOXBOARD**
Ex: flattened cardboard, cereal boxes, paper egg cartons, milk & juice cartons

**MIXED PAPER**
Ex: newspapers, office paper, fliers, & shredded paper (in clear plastic bag)

**PLASTICS #1 to #7**
Ex: pop bottles, milk jugs, soap bottles, rinsed food & drink containers (juice, yogurt, etc.)

**HOUSEHOLD TIN & ALUMINUM**
Ex: aluminum containers & foil, tin cans, & aluminum beverage cans

**HOUSEHOLD FOOD-GRADE GLASS**
Ex: beverage bottles & food-grade glass jars (pickles, sauces, condiments, etc.)

**HELPFUL RECYCLING TIPS:**
- Rinse out all food & drink items
- Flatten cardboard boxes
- Remove lids/caps from bottles
- Remove black coloured plastics
- No plastic bags of any kind, including "crinkly" or "stretchy" plastics
- Place all items loose in the cart, except shredded paper
- Plastics must have a #1 to #7 recycle symbol on the bottom
- Unbroken glass containers only

**HOUSEHOLD WASTE**
Ex: diapers, coffee cups, feminine hygiene products, used tissues, dirty clothes, dishes, food bags, & garbage bags

**DIVERTABLE WASTE**
Ex: electronics, tires, mirrors, power cords, all tools, clothing, car parts, lawn furniture, clothes hangers, scrap metal, & fans

**NON-RECYCLABLE PLASTICS**
Ex: black plastic, styrofoam, toys, garden pots, bottle caps, & plastic/grocery bags

**HOUSEHOLD HAZARDOUS WASTE**
Ex: batteries, hairspray containers, paint cans, cleaning products, propane tanks, & lightbulbs

**ORGANICS**
Ex: food waste, leaves & branches, grass, egg shells, coffee grounds & tea bags

**BIO HAZARDS**
Ex: needles, human and pet waste/feces, Band-aids, bodily fluids, & animal carcasses
